

## The Game Fishing Association of Australia Inc

### 2019-20 GFAA Awards Arrangements

The GFAA Annual General Meeting is to be held on 31<sup>st</sup> October this year. Due to travel restrictions this will be held as a virtual meeting.

Accordingly, there will be no formal Awards Presentation Dinner held.

Annual Trophies and Award Certificates are in the process of being produced and will be sent initially to the Association's Vice President for consolidation and distribution to clubs. It is expected that this distribution will be completed directly after the AGM, it will then be the responsibility of clubs to make arrangements to present them to anglers. State Junior Coordinators have been requested to assist with Junior Tournament award presentations jointly with Club Presidents on behalf of GFAA where possible.

In the case of the Moreton Bay, John O'Brien and Bob Lowe Trophies, the State organisation will be responsible for making the presentation to winning clubs.

All winners will be announced at the AGM and further recognition of the awardees will be through:

- ④ An email to all states for circulation to their members
- ④ Inclusion in the November GFAA Newsletter – mid to late November
- ④ Inclusion in the 2021 GFAA Journal – December or January
- ④ A news item on the GFAA Website – mid November
- ④ A post on the GFAA Facebook page – mid November
- ④ A post on the GFAA Junior Tournament Facebook page – mid November
- ④ All states will be encouraged to provide similar recognition on their websites and Social Media

It is requested that individual presentations be photographed, and images sent to GFAA shortly thereafter so that they can be included in the November Newsletter, and the GFAA Facebook page.

Hopefully, the Awards Presentation Dinner can be resumed in 2021.

Regards

Ian Bladin  
President
